The Socialist Health Association promotes health and well-being and the eradication of inequalities through the application of socialist principles.

We stand for:

- **Universal Healthcare** - meeting patients' needs, free at the point of use, funded by taxation
- **Democracy** - based on freedom of information, election not selection and local decision making
- **Equality** - based on equality of opportunity, affirmative action, and progressive taxation

We campaign for an integrated healthcare system which reduces inequalities in health and is accountable to the communities it serves.

The SHA is affiliated to the Labour Party, the only political organisation prepared to entertain this agenda with any prospect of delivering it. But our members don't necessarily agree with everything the Party or the Government does.

Membership costs £25 a year for individuals, or £10 if on a low income. You get:

- our magazine, Socialism and Health,
- reduced prices for our public conferences and events,
- email bulletins about developments in health politics,
- opportunities to influence Labour Party, and government policy.
